Information regarding free school meals and vouchers

The government are issuing £20 voucher every two weeks, for all those on FSM. These have all been distributed covering the period 23/03/2020 – 03/04/2020.

We are currently looking at the new scheme which allows digital distribution of the vouchers and will keep you updated on this.

If the digital distribution system is not available to us by 20/04/2020 we will continue with the voucher system to ensure you get the vouchers needed.
